Anjumane-Islamia, Hoshally, Chikmagalur Taluk.

Resolution No. 1 of the meeting of the Executive Committee Anjumane-Islamia, Hoshally, held on the 23rd April 1920.

" Our benign Government of His Highness the Maharaja of Mysore have created a great deal of means for the welfare and benefit of their subjects. Among those, there are hospitals in every District Head Quarters and Taluks and ~~villages~~ some of the villages so that every one may be benefitted by them. The absence of a Hospital in our village ~~have~~ has been the source of many difficulties. To provide one , the Sub-Overseer of Chikmagalur came here on 7th September 1919 and selected a building suitable for the purpose. Up to this time no action has been taken Every one knows the miseries caused by Influenza. There are ~~abo~~ about 150 persons suffering from it and ~~and~~ 7 mortalities have occurred. Our benign Government have appointed a Committee of the villagers for attending the patients. Our Anjuman reported many times to the District Medical Officer to send a Surgeon here with medicine. But no action was taken. Hence to remove the above difficulties, copies of the above resolution may be sent to the Dewan Saheb Bahadur, the Senior Surgeon in Mysore and the Deputy Commissioner, Kadur District.

The resolution was moved by Mr. Hussien Ali Saheb and suppotted by Abdul Gaffar Saheb and passed by all the members.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.G.21799-Med.48-19-17, dated 22nd March 1920, and subsequent letters ending with your D.O.No.G.2212-Med., dated 30th July 1920, regarding the opening of an Itinerant Dispensary at Hosahalli, I have the honor to state that a reference from the Secretary of the Anjumane-Islami of Hosahalli dated 2nd May 1920 was received in this office, forwarding a copy of the resolution of the Anjumane, in the matter of medical aid. It was not clear from the resolution whether it referred to the provision of temporary medical aid during the prevalence of influenza or of a permanent dispensary.

The report called for from the District Medical Office showed that prepared mixtures from the Civil Hospital were being sent for distribution through the local Anjuman Association and the committee formed by the Amildar. Concentrated mixtures ~~were~~ were also being sent and two Sub Assistant Surgeons from the District Hospital were also deputed to treat the sick. In this office letter No.1817-4, dated 19th May 1920, the Secretary of the Association was also informed that if the representation was intended for establishment of a permanent dispensary, they might approach the Deputy Commissioner of the District who is the local authority through whom proposals for the opening of new medical institutions in the district have to pass. This view, I may add,

is also supported by the Responsibility sheet appended to your Official Memorandum No.G.5531-80-G.M.22-19-2, dated 3rd September 1919, in which, against item 4 "Dispensary at Hosahalli", the Deputy Commissioner and Chairman, Malnad Improvement Committee, Kadur District, has been made the officer responsible for the development of the subject.

A reference has also been made to the Deputy Commissioner, Kadur District, to place the matter before the District Board and the Malnad Improvement Committee of his district and forward the same with his own opinion.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Senior Surgeon.
